Present Lots to Library

Mrs. S. O. Stillman and Daughter Make Valuable Gift to Institution.

Mrs. S. S. Stillman and her daughter, Miss Fanny Stillman, have presented the Galena public library with their lots which are situated directly in front of the library building, between Main and Bench streets, the only condition being that the lots shall be used in perpetuity as a portion of the library park and no building shall ever be erected thereon.

This gift will always be greatly appreciated by all the citizens of Galena as it gives an unobstructed view from the front of the library building up the river and to the beautiful hills beyond as well as a view of our attractive city park.
