STEAM Club

EVERY TUESDAY SCHOOL IS IN SESSION, BEGINNING SEPTEMBER 3
3:45-5PM

Explore the exciting and interconnected worlds of Science, Technology, Engineering, Art and Mathematics with this club for youth in grades 3-6! There will be new activity every week, including coding, art projects, engineering challenges and science experiments!

Participants in the Galena Public Schools may ride the brown bus to the library after school. Light snack provided.

Advance registration encouraged.
